Total Purchase

TRUFFLE TREE PURCHASES MUST BE EITHER SIGNED BY THE BUYER OR INCLUDE FULL PAYMENT INDICATING ACCEPTANCE OF TERMS OF SALE ATTACHED.

Date: _____ Signed: _____

UNLESS OFFERED AS A PROMOTION, OUR MINIMUM ORDER REMAINS 12 HOST TREES.

DISCOUNTS APPLY TO VOLUME ORDERS OF MORE THAN 100 HOST TREES.

ALL TREES ARE INOCULATED BY THE BLACK TRUFFLE, TUBER MELANOSPORUM, HOWEVER, NO GUARANTEE IS IMPLIED OR STATED THAT TRUFFLES WILL BE PRODUCED.

Our trees are grown from hardy B.C. stock in soil to avoid transplant shock.

To reduce fungal inoculation loss, remove the tree from its container gently and plant all of the soil and the tree together in a well prepared soil bed.

TERMS AND CONDITIONS

1. The buyer shall make payment in full prior to host tree pickup.
2. The seller warrants that all trees have been inoculated with certified phyto-sanitized Tuber Melanosporum, the Black Perigord Truffle.
3. The buyer is responsible for transport, planting at the destination, care and treatment of the plants and soil.
4. The buyer agrees upon purchase that the seller shall not be held liable for damages or prejudices, including loss of profit or any other losses, which result from any failure to achieve the intended results or any shortcomings in the yield of the inoculated host trees. This applies also to any unsuitability or deviation from anticipated or expected yields.
5. The buyer purchases these plants with the full understanding that truffle production is in a pioneer stage and has not been scientifically proven in any location in Canada.
6. The buyer accepts that due to varied micro-climates and tree husbandry no trees are guaranteed to survive or produce truffles.
7. The buyer agrees that the host trees and plants are sold f.o.b. the "farm gate", with the buyer accepting full responsibility for immediate shipping, transport and/or delivery with no risk of cost or loss to the seller.
8. In the event that suit or action is necessary to enforce any conditions of this agreement all costs shall be borne by the purchaser without exception or prejudice.
